Maybe even better than free.

Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. There are no restrictions on the number of times a file can be downloaded. Any file in any format can be uploaded anddownloaded for free. It is also allowed to link to the download page from websites and communities. You decide who you want to share your files with. Youcan give this download link to your friends by mail or instant messenger. Alternatively you can choose to share your download links on blogs, forums andsocial networking sites. File is free to use with no gotchas and no hidden fees. filehosting provides an easy possibility for you to send large files to your friends.Files can be downloaded from any computer from our high speed servers. Our service is completely free for everyone. We have no file size limit.Unfortunately, we can't make that part free. The cost of that data transfer is covered by your internet service or the data plan on your phone. This is easy, fastand reliable filehosting! You don't need any kind of premium-accounts. Simply upload your file and share the link. You don't need any special softwareinstalled to be able to download your files. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. You can uploadany type of file (movies, music, documents, images, zip files and more). Just upload the file you want to share with your friends and we send you a downloadlink to your file. Using file, you can circumvent those limits without paying to upgrade your team chat service. If only we could, we surely would! On the otherhand, using file can actually save you money. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is beingtransferred between your computer or phone and our servers, then from our servers to your friends device. Keep your files private, or send your download linksonly to friends or family. So try our free and simple filehosting service now. Files transferred the old-fashioned way tend to pile up and be forgotten about,eventually costing you money in data storage fees. No account or credit card is required to get started.
