Maybe even better than free.

You can give this download link to your friends by mail or instant messenger. Any file in any format can be uploaded and downloaded for free. Why paystorage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferredwithin their apps. Files can be downloaded from any computer from our high speed servers. You can upload any type of file (movies, music, documents,images, zip files and more). Our service is completely free for everyone. Unfortunately, we can't make that part free. No account or credit card is required to getstarted. It is also allowed to link to the download page from websites and communities. When you use file, you avoid storing the file you're sending in yourcloud storage or mail server. Using file, you can circumvent those limits without paying to upgrade your team chat service. This is easy, fast and reliablefilehosting! You don't need any kind of premium-accounts. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, datais being transferred between your computer or phone and our servers, then from our servers to your friends device. There are no restrictions on the number oftimes a file can be downloaded. Keep your files private, or send your download links only to friends or family. Just upload the file you want to share with yourfriends and we send you a download link to your file. If only we could, we surely would! On the other hand, using file can actually save you money.Alternatively you can choose to share your download links on blogs, forums and social networking sites. You don't need any special software installed to beable to download your files. filehosting provides an easy possibility for you to send large files to your friends. You decide who you want to share your fileswith. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. Simply upload your fileand share the link. We have no file size limit. The cost of that data transfer is covered by your internet service or the data plan on your phone. So try our freeand simple filehosting service now. File is free to use with no gotchas and no hidden fees.
