Maybe even better than free.

You can give this download link to your friends by mail or instant messenger. So try our free and simple filehosting service now. Alternatively you can choose to share your download links on blogs, forums and social networking sites. Just upload the file you want to share with your friends and we send you a download link to your file. Keep your files private, or send your download links only to friends or family. Our service is completely free for everyone. If only we could,we surely would! On the other hand, using file can actually save you money. No account or credit card is required to get started. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. Files can be downloaded from any computer from ourhigh speed servers. You can upload any type of file (movies, music, documents, images, zip files and more). Simply upload your file and share the link. Yourwallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and ourservers, then from our servers to your friends device. The cost of that data transfer is covered by your internet service or the data plan on your phone.Unfortunately, we can't make that part free. There are no restrictions on the number of times a file can be downloaded. Why pay storage fees for a file that youjust wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. You decide whoyou want to share your files with. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. You don't need any specialsoftware installed to be able to download your files. Using file, you can circumvent those limits without paying to upgrade your team chat service. This is easy,fast and reliable filehosting! You don't need any kind of premium-accounts. Any file in any format can be uploaded and downloaded for free. We have no filesize limit. It is also allowed to link to the download page from websites and communities. filehosting provides an easy possibility for you to send large files toyour friends. File is free to use with no gotchas and no hidden fees.
